Clinical
Discovery - IV

Patients present to us with Sexual Dysfunctions but the Physician need to go beyond just the sexual dysfunction.

**Behind every Sexual Dysfunction there is Disordered Sexuality
Behind every Disordered Sexuality, there is a Disturbed Personality
Behind every Disturbed personality, there is a Disorganized Person
With every Disorganized person, there is a Disharmony in Relationship or
Discord in the marital bond.**

**As a result, we need to address not only the sexual dysfunction but also
the Disordered Sexuality, Disturbed Personality,
Disorganized Person and the Disharmony in the Relationship.**
